

HEALINGSPACE
medical center

Dr. Mitchell has a consultation practice in Integrative Medicine and Women's Health. HealingSpace Medical Center phones are answered Monday through Friday. For up to date office hours, please refer to our website or call the office directly.

Dr. Mitchell does not practice primary care and is not on a hospital staff, therefore, she does not take after hour calls nor does she admit to a hospital.

If you are in need of medical attention outside of our regular business hours, please contact your primary care physician or dial 911.
